## LOOKING AHEAD TO KINDERGARTEN!

New Hebron Christian School has maintained a reputation for over 40 years of excellence in Kindergarten instruction. NHCS is committed to providing foundational reading skills with phonics based curriculum and exceptional math preparation. We maintain small class sizes (no more than 18) and are dedicated to your child's success. Be sure to take time during your student's Pre-School year to visit us and see how your child might benefit from an outstanding Christian education. Our goal is to help your child grow spiritually, academically and socially.

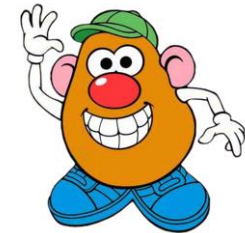

**THEME FOR 2017-2018 is...**

*“Walking with God”*

*“He has told you, O man, what is good;  
And what does the Lord require of you.  
But to do justice, to love kindness,  
And to walk humbly with your God.”*
